

How do I view and use my credits online?

To view the credits on your Vivo account log-in by clicking the green ‘Register & Login’ button on Vivo.ca. On the side menu click ‘My Account’ and select ‘Bills and Statements’. Then click the ‘Credits’ tab to view all available credits.

To use credits, simply select the course you would like to register in. During the checkout process you will be able to apply the credits toward the cost of the course.
