

Little Kids Active Learners

Preschool Price List 2022-2023

3-4 year-old Preschool

Vivo's active preschool provides a safe and nurturing environment where children participate in art, music, physical activity, dramatic play, early literacy, sensory play and more! Throughout the year from September 2022 - June 2023, we will host special events, outdoor activities, and intentional experiences that support the physical, social, emotional, and mental development of each child. Throughout the year you will see your child reach social, physical, and academic milestones through play facilitated by educators who are passionate about child development! A one-time registration fee of \$200 is required upon enrollment which covers all administrative fees and school supplies for the entire school year. Monthly fees vary depending on the number of days per week that you register your child; each class is three hours long. Little Kids Active Learners follows a school calendar that can be found on the Vivo website.
